

BUILD LIKE A GIRL

Spend the evening at your booth at the 4th annual Build Like a Girl set for Wednesday, February 19 at Valley Plaza Conference Center, Midland, offering hands-on activities to show our future workforce all of the amazing career opportunities in the construction industry. This FREE-to-attend event is for female students in grades 5-12 and a parent, guardian, or adult.

80% of attendees felt more familiar with the job opportunities available in the construction industry after the 2024 event.

"I loved this event. It made me more confident about going into the trades."
