

# BREAK THE GLASS

## A FEARLESS PAINTING EXPERIENCE WITH LOGIC

**MAY 15, 2025 | 4PM**  
**BREAD BITES, 5100 MARSH ROAD, OKEMOS**

Join us & Paint Your Poison for a creative and empowering painting session where you'll paint a 9x12 canvas inspired by the iconic Fearless Girl statue in NYC—and the powerful glass installation that symbolized breaking the glass ceiling.

The glass ceiling represents the invisible barriers that women and minorities face when striving for leadership roles in male-dominated industries. Come unleash your creativity, connect with like-minded women, and create a piece that embodies strength, ambition, and the power to shatter barriers!

**COST: \$40 ABC MEMBERS | \$45 NON-MEMBERS**
